Workshop Objective

Review and Guidance of Draft Community Growth Area land use plans

Staff will provide mapping of working drafts for the community growth area land use plans. The maps will show the current land use plan from the respective region plan with the working draft, which reflects direction received from the Planning Commission.

The Frederick Region review will only focus on the Unincorporated Growth Areas for this workshop. The review and discussion of the City of Frederick growth area will occur with a joint session with the City Planning Commission on March 25th.
